

An aerial photograph of the Great Salt Lake, showing a large body of water with a distinct greenish-blue hue. A white map of Utah is superimposed on the water, with its outline filled in white. The lake is divided horizontally by a dark, rocky shoreline. Below this line, the water has a reddish-pink tint. A white zigzag line runs across the bottom half of the image, separating the green and red sections. Text is overlaid on the image: 'Decline of the Great Salt Lake' in large white letters at the top; a block of 'Introduction text' in white on the green water; a block of 'Toxic dust' in white on the red water; a block of 'Brine shrimp' in white on the red water; and a QR code in the bottom right corner.

Decline of the Great Salt Lake
